

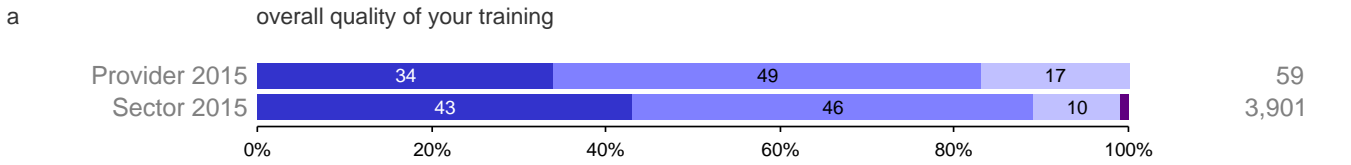

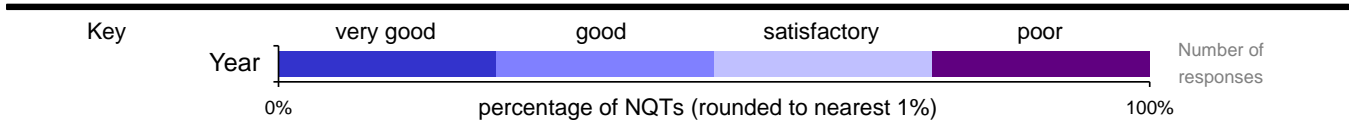

**Figure 104** The newly qualified teacher survey  
Anglia Ruskin University, Primary courses.

Q1 How NQTs rated:

Z score = -1.4149

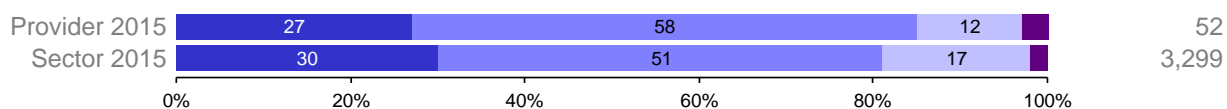

The provider results (using the very good and good responses) are not statistically significantly different from the sector.

**Figure 105**      **The newly qualified teacher survey**  
**Anglia Ruskin University, Primary courses.**

Q2                      How NQTs rated their training in:

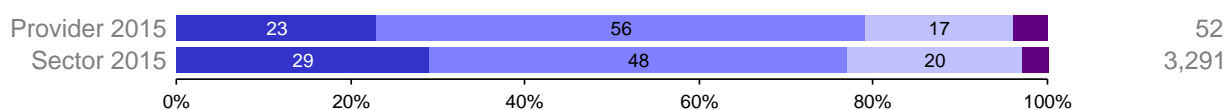

a      **new in 2014**      preparing you to be aware of pupils' capabilities and prior knowledge?

Z score = **0.7274**

The provider results (using the very good and good responses) are not statistically significantly different from the sector.

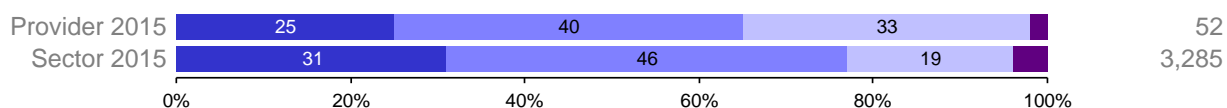

b      **new in 2014**      preparing you to guide pupils to reflect on the progress they have made and their emerging needs?

Z score = **0.2791**

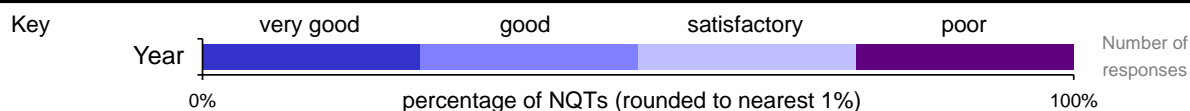

The provider results (using the very good and good responses) are not statistically significantly different from the sector.

c                              preparing you to integrate the theoretical elements of your programme with your practical experiences?

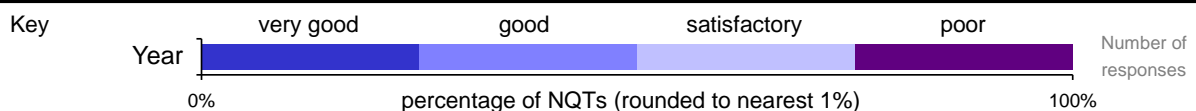

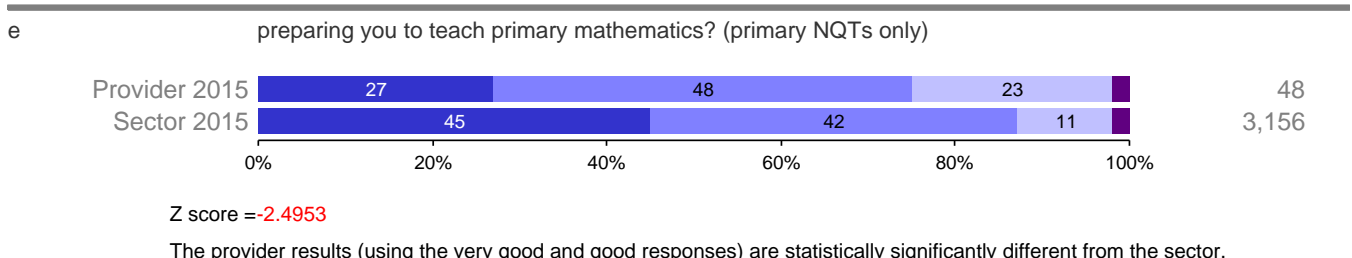

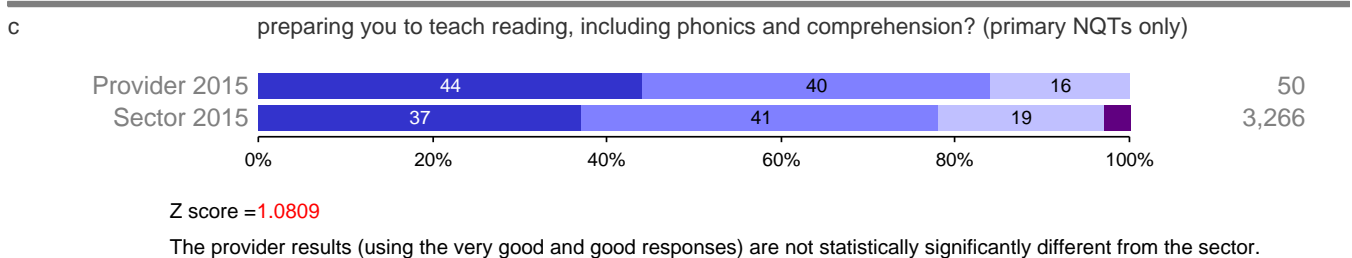

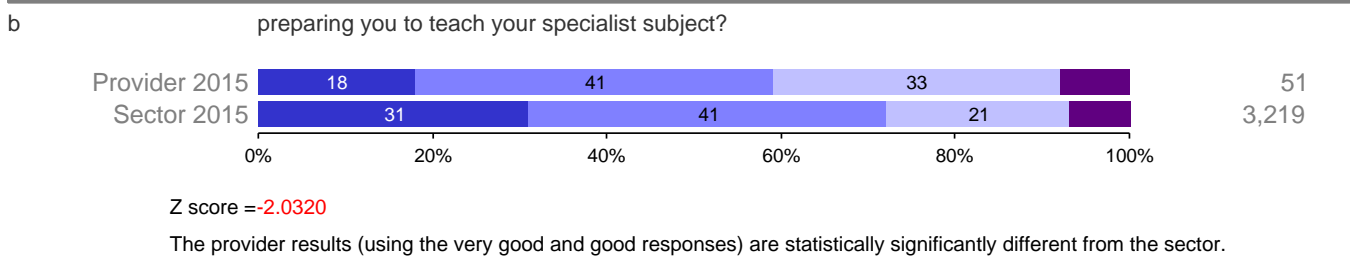

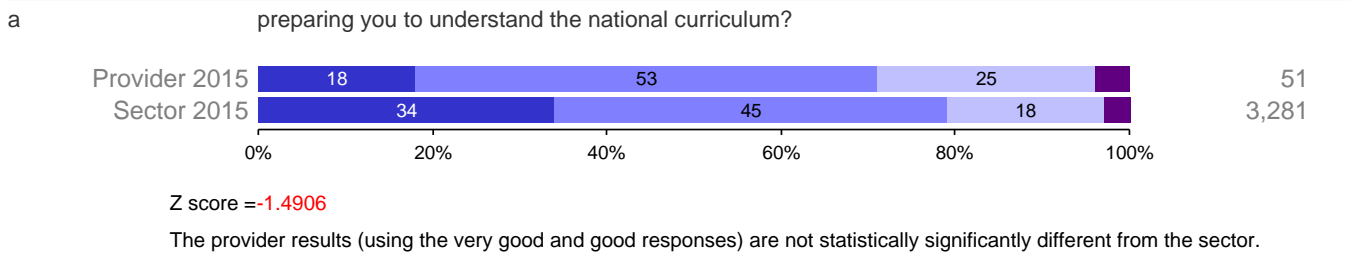

Z score = **-2.1137**

The provider results (using the very good and good responses) are statistically significantly different from the sector.

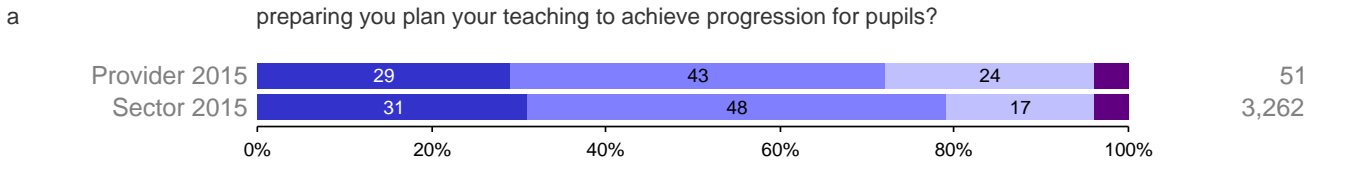

**Figure 106**      **The newly qualified teacher survey**  
**Anglia Ruskin University, Primary courses.**

Q3                      How NQTs rated their training in:

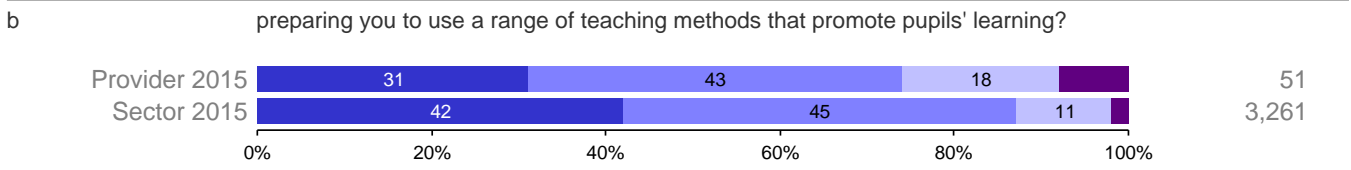

**Figure 107**      **The newly qualified teacher survey**  
**Anglia Ruskin University, Primary courses.**

Q4                      How NQTs rated their training in:

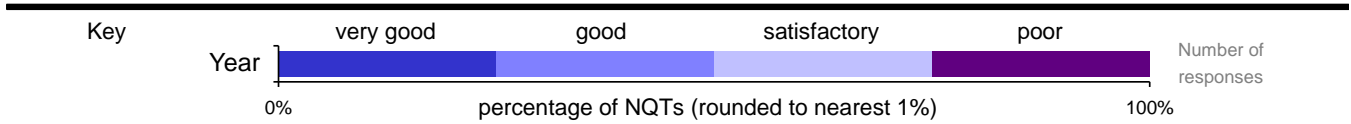

Z score = -1.2766

The provider results (using the very good and good responses) are not statistically significantly different from the sector.

Z score = -2.6147

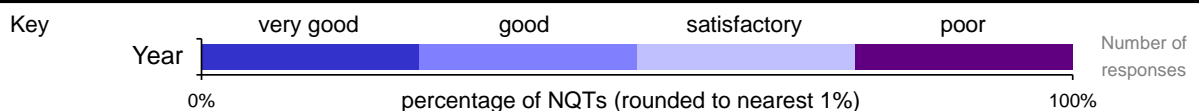

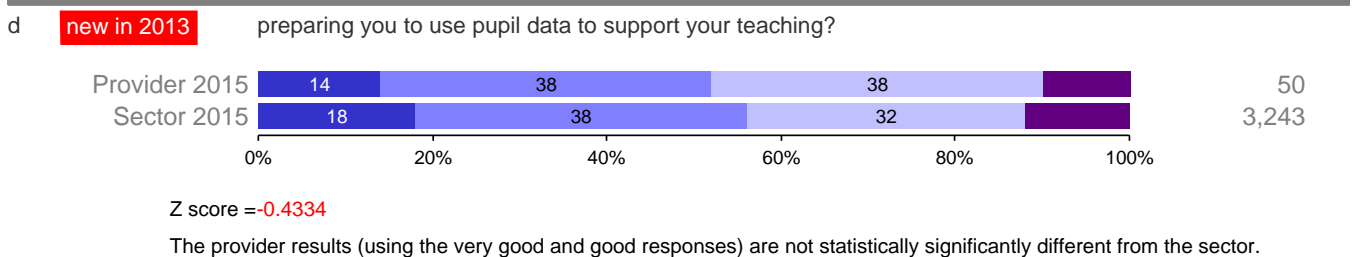

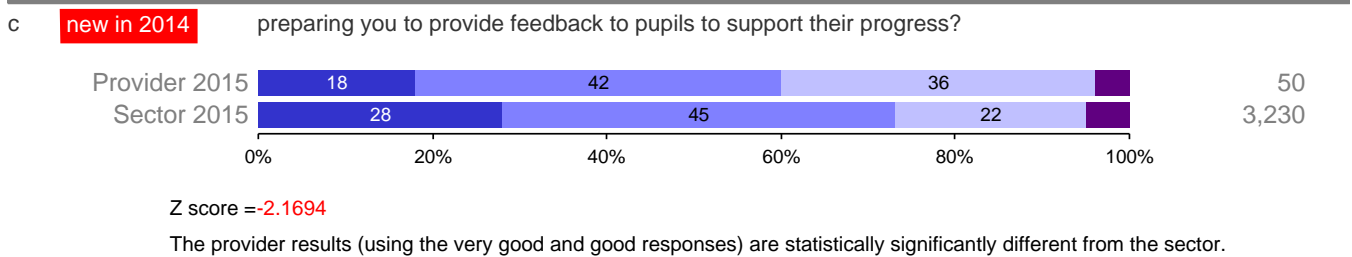

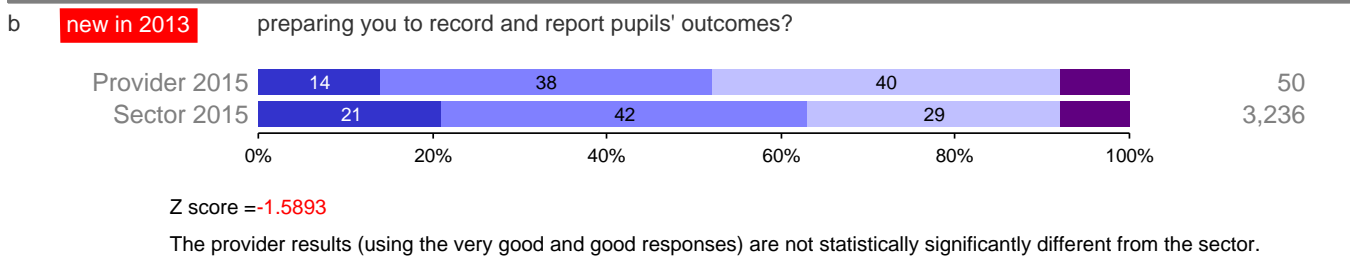

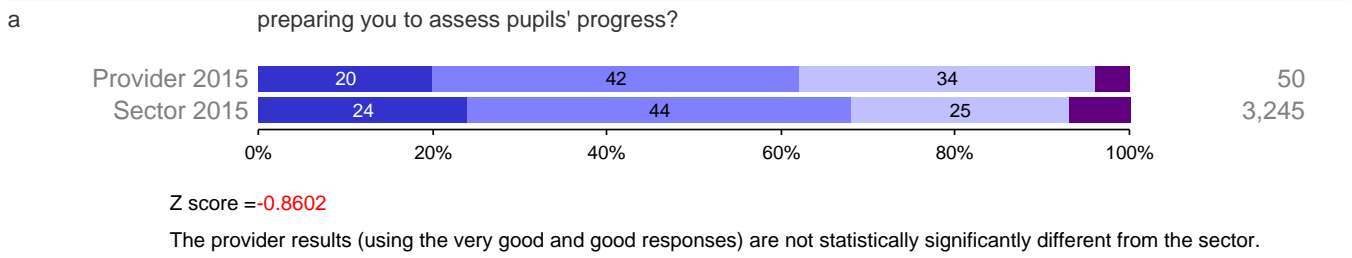

The provider results (using the very good and good responses) are statistically significantly different from the sector.

**Figure 109**      **The newly qualified teacher survey**  
**Anglia Ruskin University, Primary courses.**

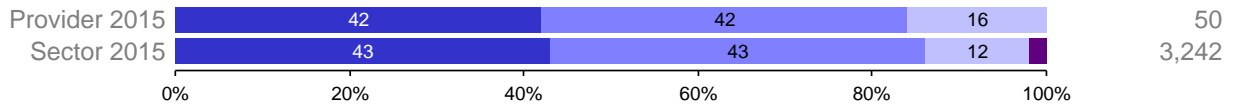

Q6                      How NQTs rated their training in:

**Figure 1010 The newly qualified teacher survey**  
**Anglia Ruskin University, Primary courses.**

Q7 How NQTs rated their training in:

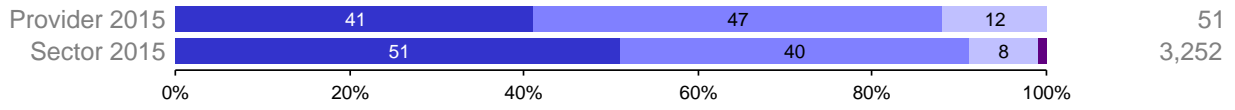

a preparing you to establish and maintain a good standard of behaviour in the classroom?

Z score = -0.3967

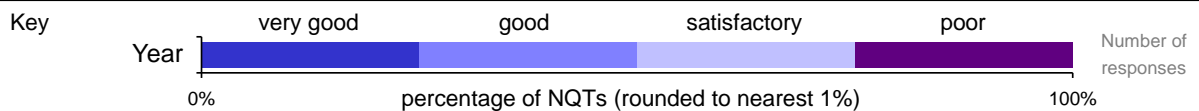

The provider results (using the very good and good responses) are not statistically significantly different from the sector.

c preparing you for your teachers' statutory responsibility for the safeguarding of pupils?

Z score = -0.7502

The provider results (using the very good and good responses) are not statistically significantly different from the sector.

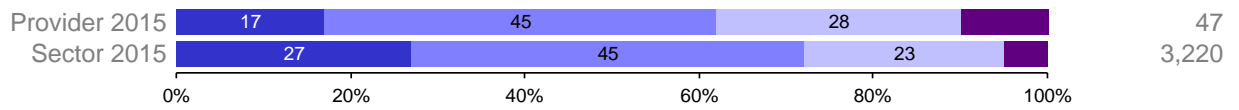

**Figure 1011 The newly qualified teacher survey**  
**Anglia Ruskin University, Primary courses.**

Q8 How NQTs rated their training in:

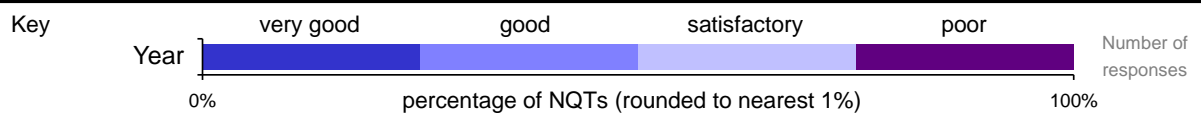

f **new in 2013** preparing you to understand and apply the findings from educational research?

Z score = -1.5096

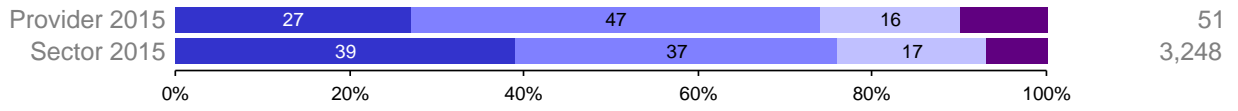

The provider results (using the very good and good responses) are not statistically significantly different from the sector.

**Figure 1012 The newly qualified teacher survey**  
**Anglia Ruskin University, Primary courses.**

Q9 How NQTs rated their training in:

a preparing you to apply confidently for teaching positions (e.g. support with job applications and interviews)?

Z score = -0.2970

The provider results (using the very good and good responses) are not statistically significantly different from the sector.
