

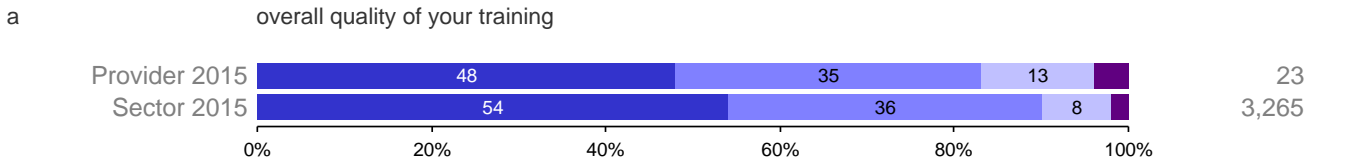

Figure 204 The newly qualified teacher survey
Bath Spa University, Secondary * courses.

Q1 How NQTs rated:

Z score = -1.2435

The provider results (using the very good and good responses) are not statistically significantly different from the sector.

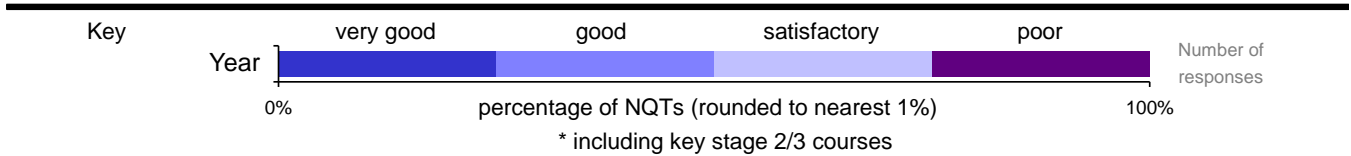

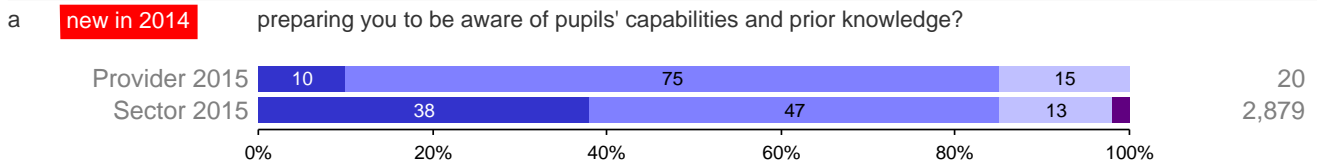

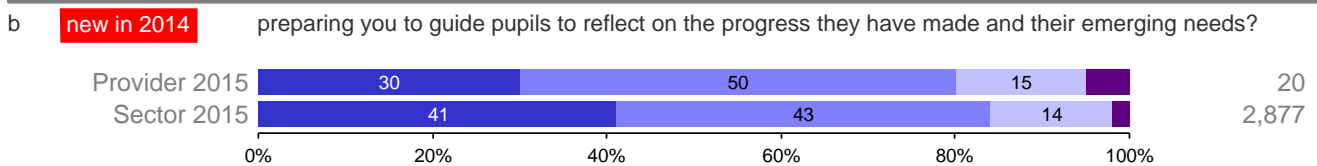

Figure 205 The newly qualified teacher survey
Bath Spa University, Secondary * courses.

Q2 How NQTs rated their training in:

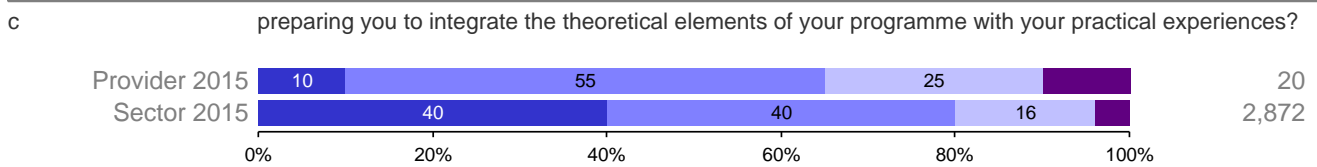

Z score = -0.0431

The provider results (using the very good and good responses) are not statistically significantly different from the sector.

Z score = -0.4368

The provider results (using the very good and good responses) are not statistically significantly different from the sector.

Z score = -1.6356

The provider results (using the very good and good responses) are not statistically significantly different from the sector.

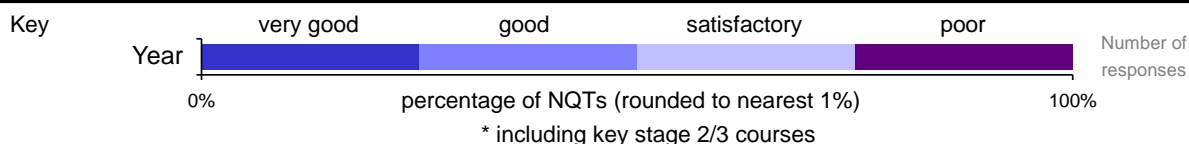

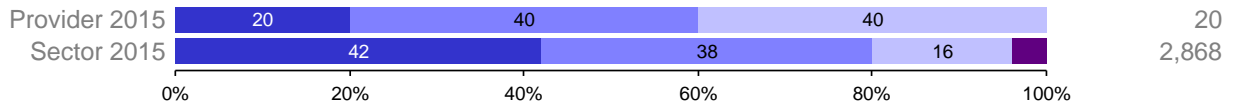

Figure 206 **The newly qualified teacher survey**
Bath Spa University, Secondary * courses.

Q3 How NQTs rated their training in:

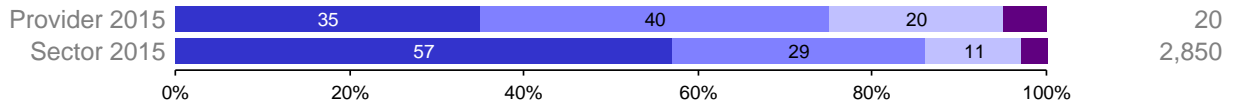

a preparing you to understand the national curriculum?

Z score = -2.3394

The provider results (using the very good and good responses) are statistically significantly different from the sector.

b preparing you to teach your specialist subject?

Z score = -1.4577

The provider results (using the very good and good responses) are not statistically significantly different from the sector.

c preparing you to teach reading, including phonics and comprehension? (primary NQTs only)

e preparing you to teach primary mathematics? (primary NQTs only)

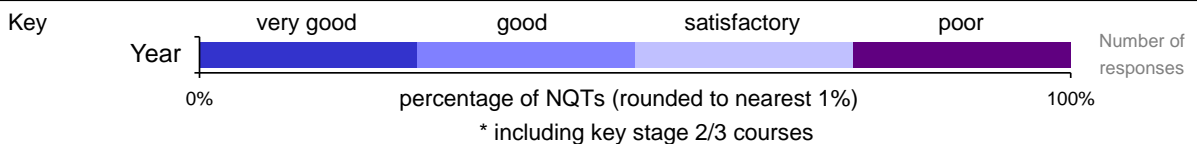

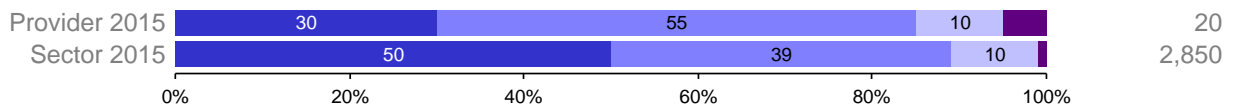

Figure 207 **The newly qualified teacher survey**
Bath Spa University, Secondary * courses.

Q4 How NQTs rated their training in:

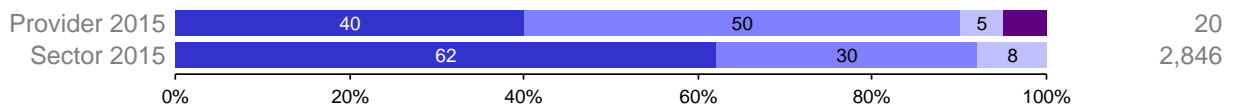

a preparing you plan your teaching to achieve progression for pupils?

Z score = -0.5432

The provider results (using the very good and good responses) are not statistically significantly different from the sector.

b preparing you to use a range of teaching methods that promote pupils' learning?

Z score = -0.2269

The provider results (using the very good and good responses) are not statistically significantly different from the sector.

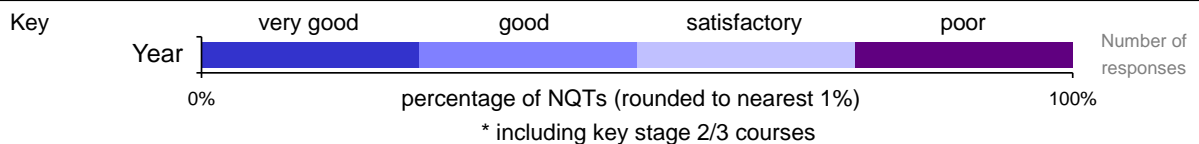

Figure 208 The newly qualified teacher survey
Bath Spa University, Secondary * courses.

Q5 How NQTs rated their training in:

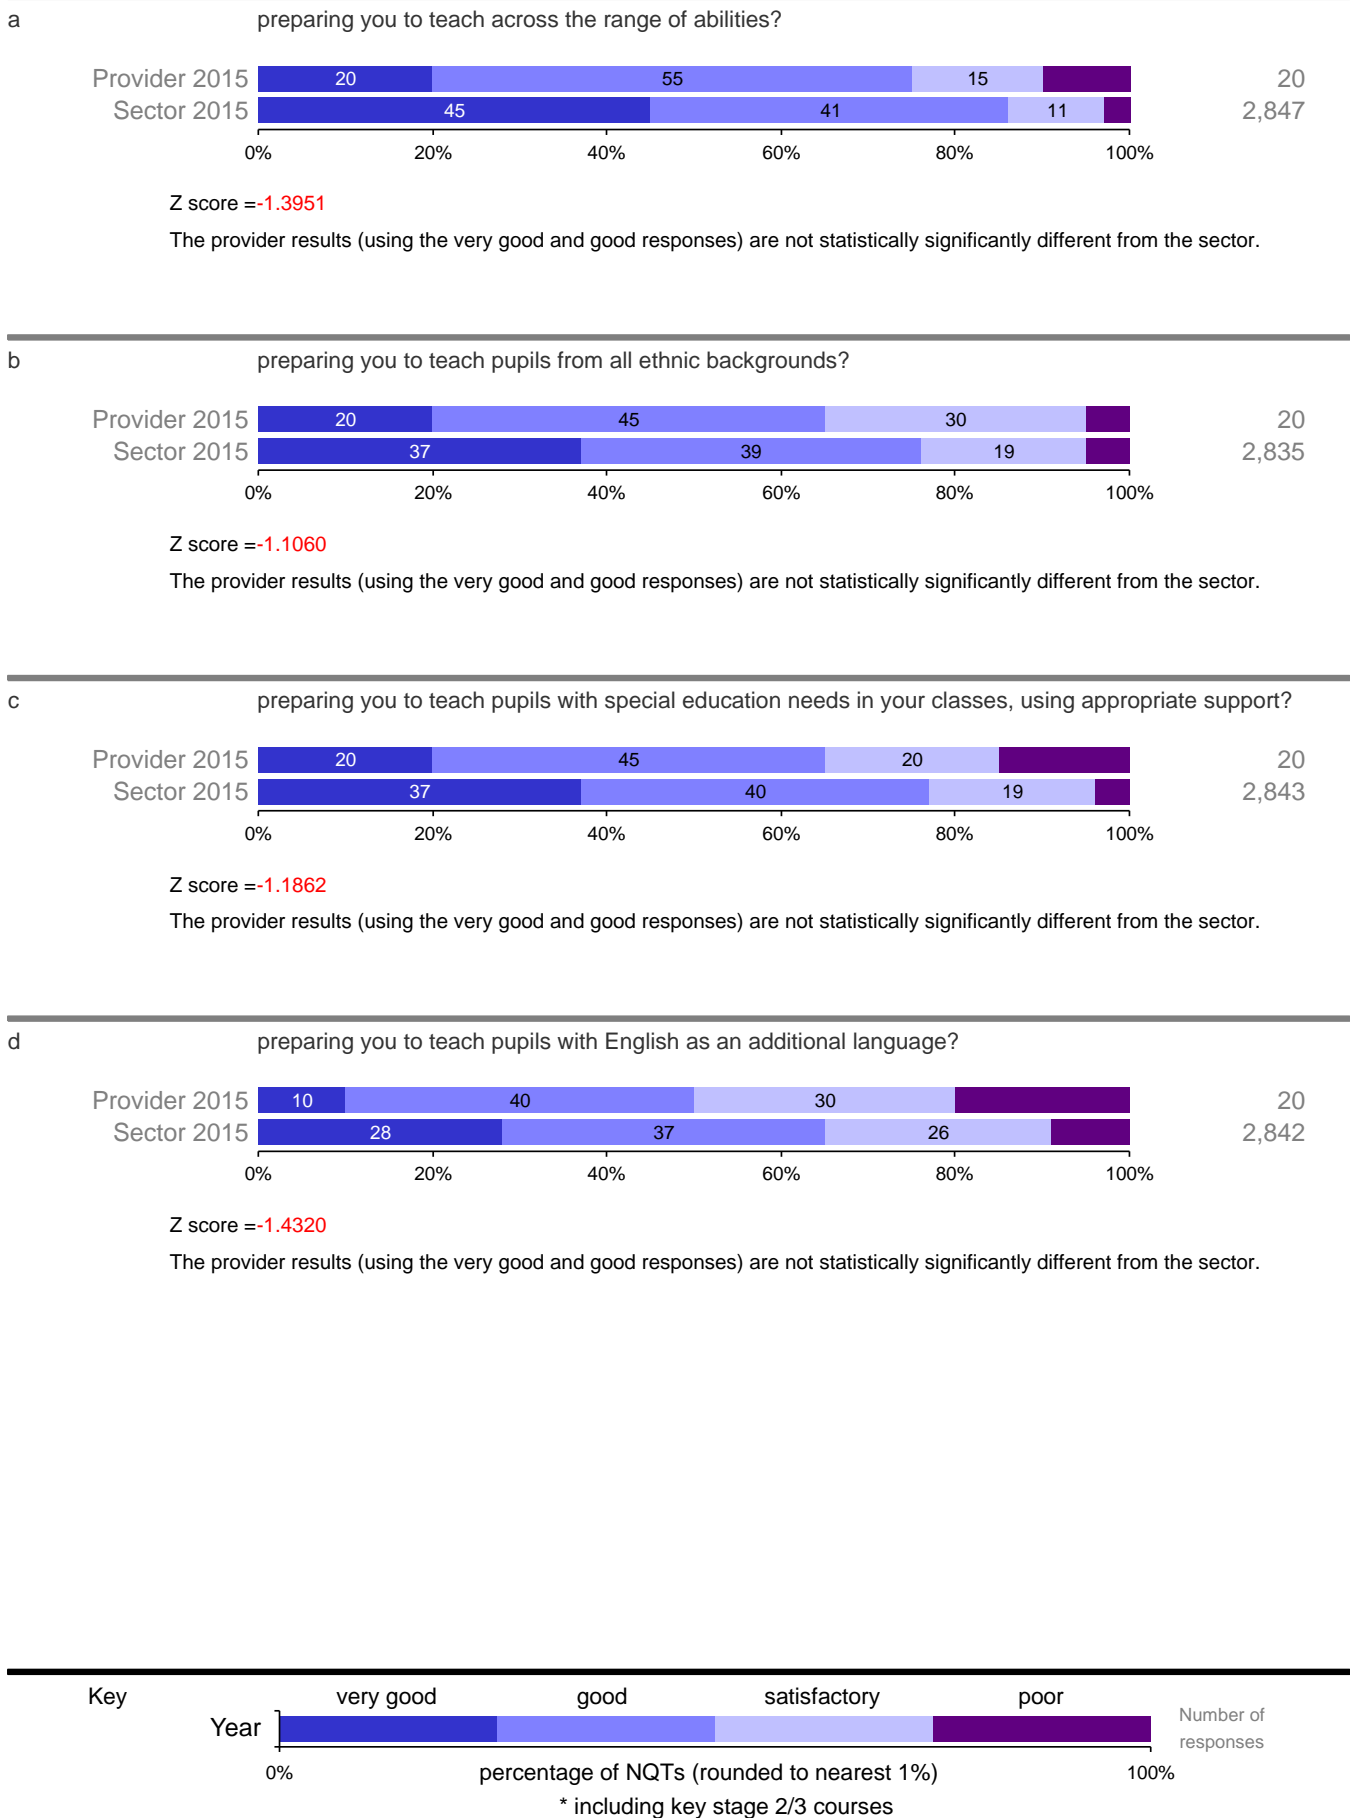

Figure 209 The newly qualified teacher survey
Bath Spa University, Secondary * courses.

Q6 How NQTs rated their training in:

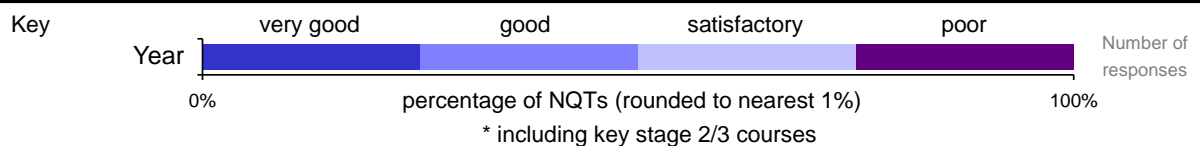

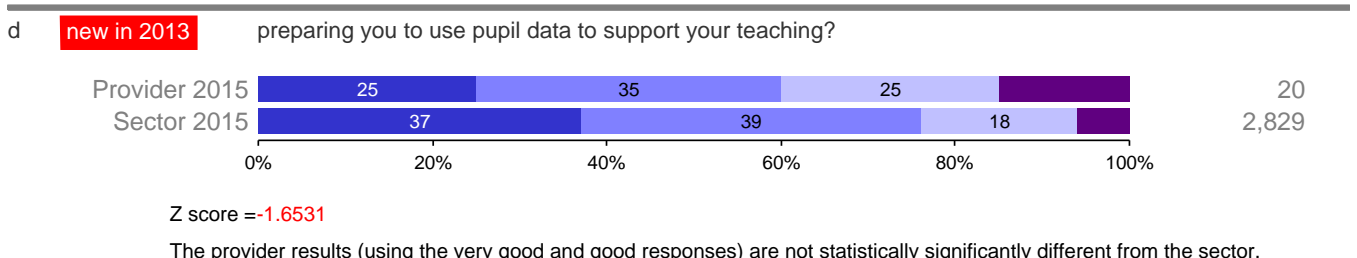

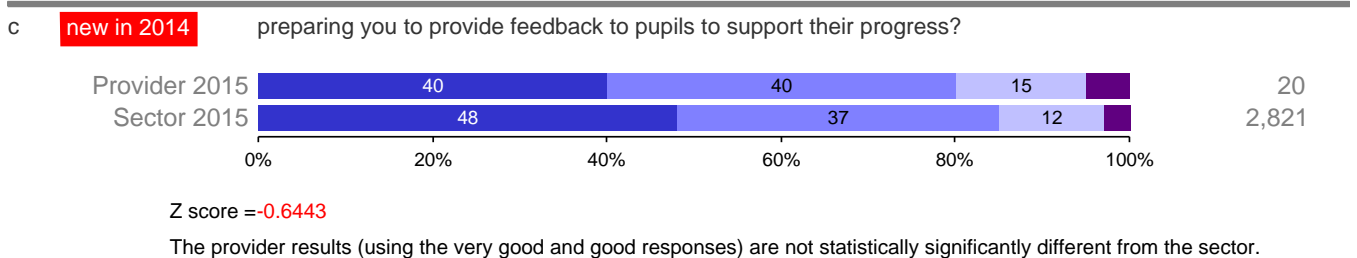

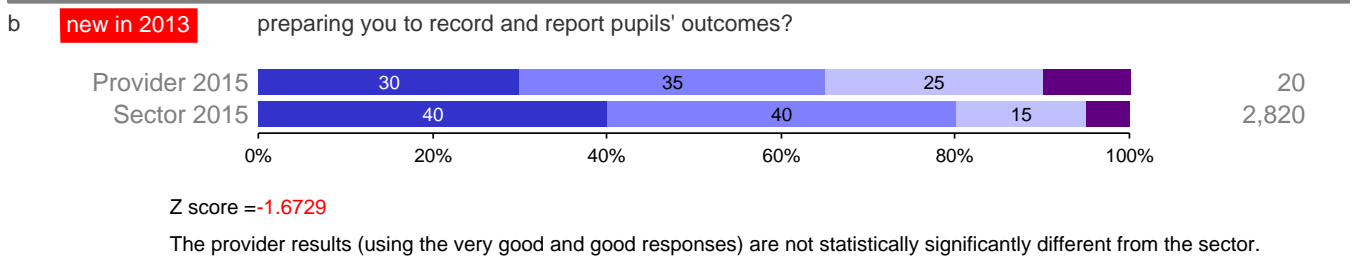

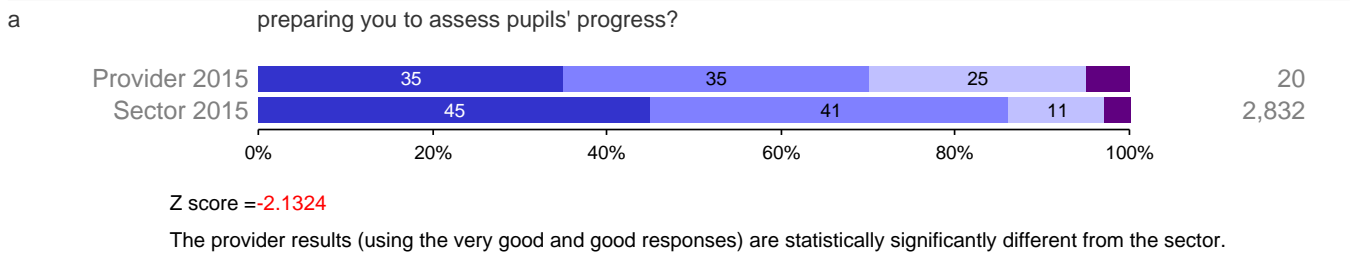

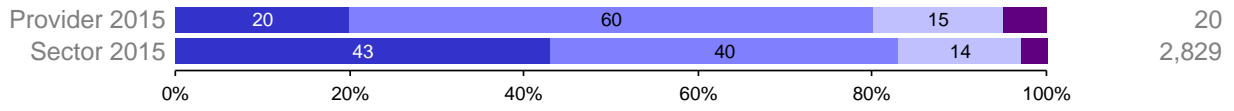

Figure 2010 **The newly qualified teacher survey**
Bath Spa University, Secondary * courses.

Q7 How NQTs rated their training in:

a preparing you to establish and maintain a good standard of behaviour in the classroom?

Z score = -0.3870

The provider results (using the very good and good responses) are not statistically significantly different from the sector.

c preparing you for your teachers' statutory responsibility for the safeguarding of pupils?

Z score = 0.1233

The provider results (using the very good and good responses) are not statistically significantly different from the sector.

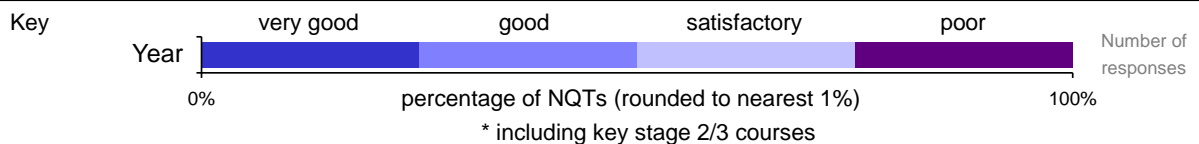

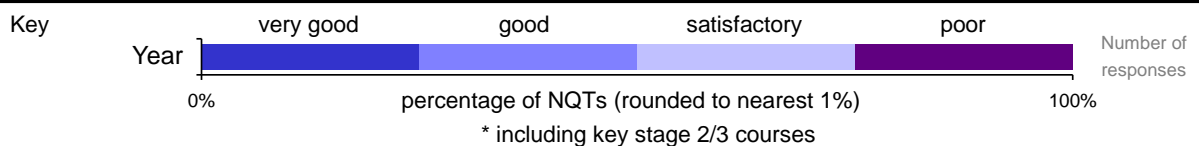

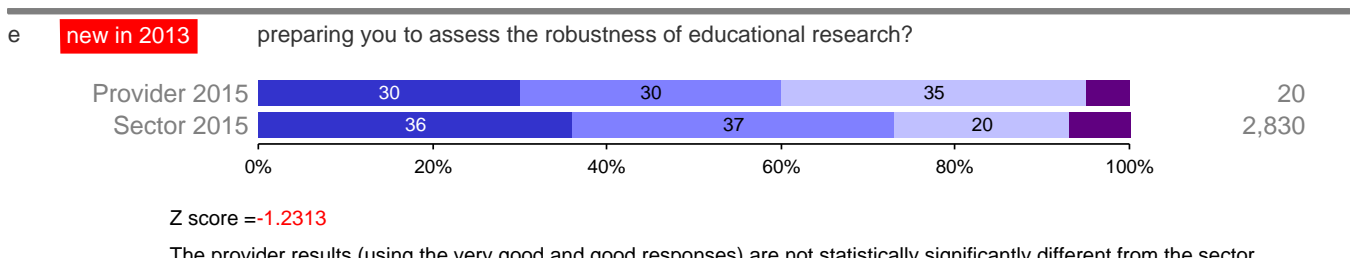

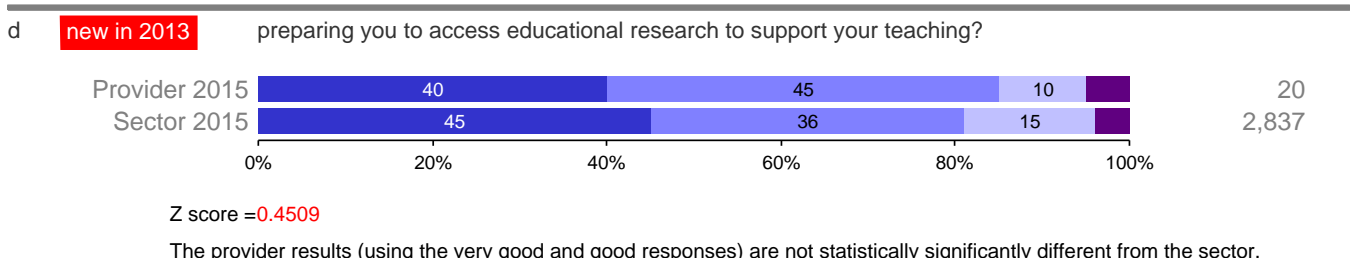

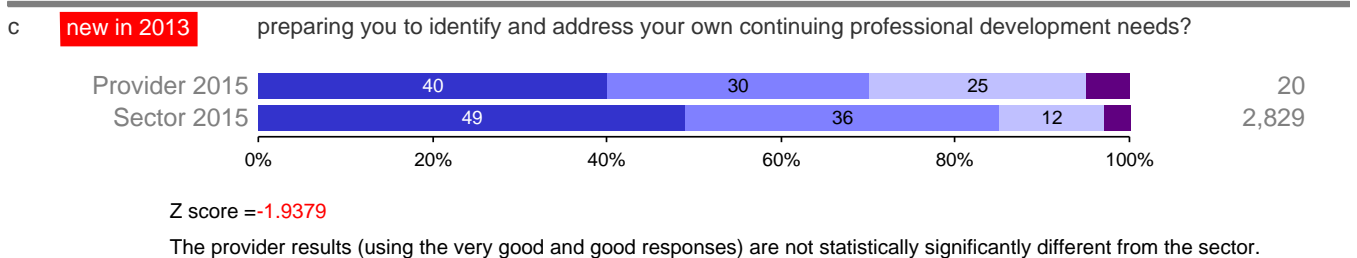

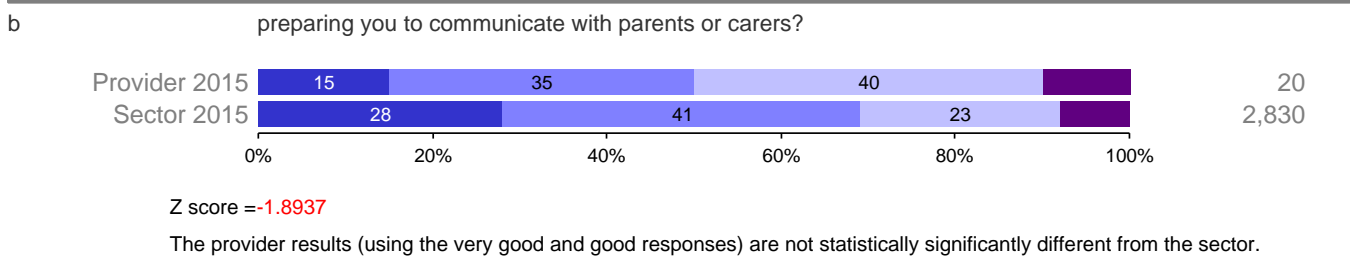

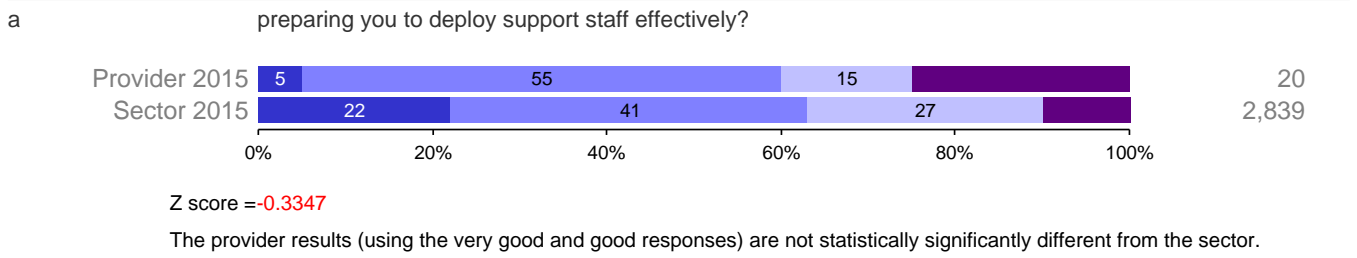

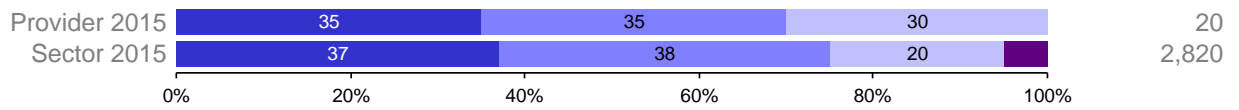

Figure 2011 The newly qualified teacher survey
Bath Spa University, Secondary * courses.

Q8 How NQTs rated their training in:

f **new in 2013** preparing you to understand and apply the findings from educational research?

Z score = -0.4795

The provider results (using the very good and good responses) are not statistically significantly different from the sector.

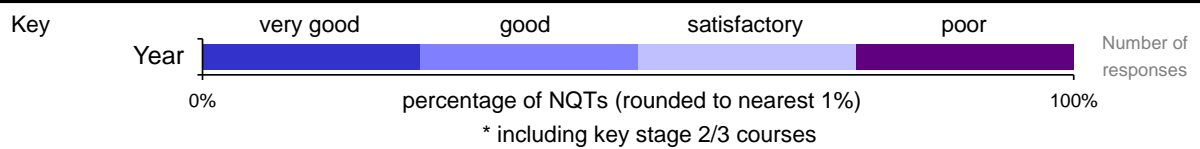

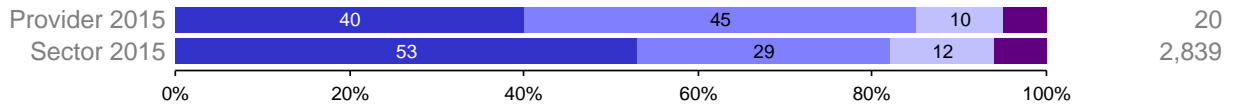

Figure 2012 **The newly qualified teacher survey**
Bath Spa University, Secondary * courses.

Q9 How NQTs rated their training in:

a preparing you to apply confidently for teaching positions (e.g. support with job applications and interviews)?

Z score = 0.3481

The provider results (using the very good and good responses) are not statistically significantly different from the sector.
